1.3 How we handle your complaint

Upon receipt of a complaint, the Complaints Management Department evaluates it to ensure that it constitutes a complaint and not a request of another nature.

Once we ensure that the submission constitutes a complaint, the Complaints Management Department will confirm its receipt in writing, sending you within 5 days of receipt the Complaint Receipt Acknowledgment letter. Confirmation can also be done by e-mail as long as your details include your e-mail address.

The Complaints Management Department then investigates the substance of the complaint you submitted and evaluates it objectively and impartially, and indicatively:

1. investigates the available communication history

4. where the complaint relates to Personal Data, handles the complaint in conjunction with the Data Protection Officer

6. prepares the reply letter
7. obtains appropriate approvals on the content of the response letter from the Company's internal lawyer and the Head of the Complaints Management Department ("four eyes principle"), as well as the Data Protection Officer if the complaint concerns Personal Data and the Head of Compliance if it concerns Regulatory Matters
8. arrange for the final signature of the response letter by the relevant Company officials

10. if applicable, notifies the reply letter to the relevant body, for example the Bank of Greece

1.4 Written reply

We respond to you in writing, simply, significantly, and comprehensibly within 45 days, as defined by the applicable regulatory framework.

In the event that the investigation requires a period of time beyond 45 calendar days, the Complaints Management Department will inform you in a timely manner of the expected delay, giving, in addition, an estimate of when it will be able to respond to your complaint.

In particular, for issues related to the processing of your personal data, we respond to your request within 1 month of its submission. This deadline can be extended, after informing you, for 2 additional months, if necessary.

Irrespective of the above-mentioned deadlines, upon your request, the Complaints Management Department will provide you with information on the examination process of the complaint you have submitted.
